

KRAFT ROLL ROCKET

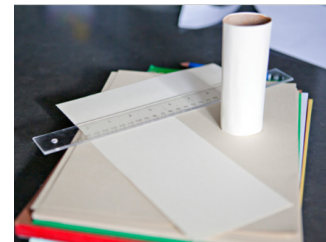

You will need:

- 3 different coloured papers
- Scissors
- Glue
- Toilet roll tube
- Tissue paper
- Glue

Step 1:

Cut the white paper to the shape of the toilet roll, put glue on it and stick it around the toilet tube.

Step 2:

Cut out a circle from the orange card, approx 5cm wide, and wrap it around to make a cone shape. Secure with glue or cello-tape.

Step 3:

Stick the cone on top of the toilet tube.

Step 4:

Cut out 3 smaller circles from your third coloured card, ours in yellow. Then stick these on the tube, these are the rockets windows!

Step 5:

Next, cut 2 small triangles for the base of the rocket.

Step 6:

And finally, stick strips of tissue paper to the bottom for the rockets flames!
